## **Charolais friends and fellow cattlemen,**

Every year when this letter comes due it helps us reflect on where we have come from over the past year. With selling age advantage bulls one thing we have learned is that you must have patience. Obviously, bulls grow and change, and with this group we feel patience was a virtue. Every time we evaluated these guys it seemed that they just kept changing for the better.

A wise cattleman once told us that “You just have to keep making them better every year.” We have really taken that to heart and while flipping through the catalog we feel you can really see that in our weaning weights and EPD’s. We have strived to bring you bulls that have the numbers to back them up, and still have the meat, muscle, and look that our customers desire.

We are truly grateful for each and every one of you and invite you to come and view the bulls any time before or on sale day. We hope to see you on February 14, at 1pm in our heated sale facility. If you cannot make the sale please feel free to call any time or use [DVAuction.com](http://DVAuction.com) to bid. Videos of the bulls will also be available at [brobergcharolais.com](http://brobergcharolais.com) near February 1st.

Sincerely,  
Loren and Bev  
Brent and Marykae

## **Cattlemen,**

Welcome once again to the Broberg Charolais Annual Bull Sale. This year they will host their 7th annual event at their farm south of Tilden, Ne. If you have not had a chance to attend the sale and meet the family, I would highly recommend it. Loren, Bev, Brent and Marykae and their families are some of the best people you will ever meet. They operate their Charolais operation with honesty and integrity, and with the commercial cattleman in mind.

The bulls this year have raised the bar once again. These stout, functional aged bulls will give you the ability to cover more cows in larger pastures and bring in more pounds of calf at weaning time. They have invested heavily in high caliber herd sires over the past several years, and that emphasis on quality shows. Nationally recognized bulls like CCC WC Resource 417 P and CCC WC Redemption 7143 PLD ET have roamed the pastures and left their mark on this cow herd. The Broberg’s continue to accelerate their program with the additions of CCC 2B Gunslinger 9030, CCC Round That Bend 9040, HCR Jockey 8055, and HCR Authority 9611 P ET. Each of those sires is heavily represented this year.

We welcome you to the ranch on February 14th to enjoy a special Valentines Day in the Sandhills of Nebraska. If myself or any of the family members can be of assistance, please reach out to us.

Thank you,  
Colt Keffer  
CK Sales and Marketing LLC.

Redemption was selected for \$85,000 in 2018. For Broberg's interest they received walking rights and have put that to good use. His sons are quickly becoming the standouts of the group. With length, body, muscle shape and added eye appeal you will surely mark many sons.

Gunslinger is a genetic powerhouse who ranked #1 in his contemporary group at weaning, coming in at 862 #s. His sons offer the same power and performance as him, with added look, big feet, and sound structure. With his outcross pedigree and proven track record we feel that Gunslinger will work his way to senior herd sire status very easily.

Round That Bend is a full brother to CCC WC Resource 417 P. His first calf crop was well received, and we feel that this set is just as stout. He has an impressive EPD spread that excels across the board from calving to growth and to carcass merit. We feel that he can fill the shoes of his full brother.
